

ALUMNI **REPORT** **2019-2020**

The Trade Fair was organized on 28th September 2019 in the college premises, following the suggestion of the Alumni Committee members. This event was envisioned as a platform to foster connections among alumni while showcasing their entrepreneurial talents.

The fair featured a variety of stalls set up by alumni, offering food items, jewelry, handicrafts, clothing, dress materials, and perfumes. The vibrant atmosphere attracted many visitors, including students and faculty members from B.M. Ruia Girls' College and Sitaram Deora Institute of Management Studies. Attendees relished the delicious food, admired the artistic displays, and purchased several articles from the alumni stalls, making the event a lively and engaging experience.

The Trade Fair was a resounding success, providing a unique opportunity for alumni to reconnect with their peers, demonstrate their skills, and engage with the college community. The enthusiastic participation and positive feedback from visitors further highlighted the event's impact.

It is noteworthy that the meeting originally scheduled for 21st March 2019 had to be postponed due to the COVID-19 lockdown. Despite this setback, the Trade Fair proved to be a remarkable celebration of camaraderie and entrepreneurial spirit, contributing significantly to the bond

between the alumni and their alma mater.

The Alumni Committee and the college administration extend their gratitude to all participants and visitors for making the event a memorable one.
