YEAR: 2021-22

SEMINARS, WEBINARS, WORKSHOPS AND GUEST LECTURES

ORGANIZED

- A Webinar on "**Waste Management and Environment Protection**" was organized on 5th June 2021, at 10:30 a.m. by the Department of Sociology and Department of Commerce in association with Internal Quality Assurance Cell on World Environment Day. The Faculty Members and Students attended this Webinar on the Google Meet Platform. A total of around 100 participants attended the Webinar. **Resource Person, Mr. Nikhil Mene**, Sub Engineer, Solid Waste Management Department, Municipal Corporation of Greater Mumbai (MCGM), informed the audience about the genesis of World Environment Day since its inception in 1974 in United Nations. Finally, he introduced the theme of World Environment Day for the year 2021, "Reimagine, Recreate, Restore." He introduced his session by urging the audience to develop a lifestyle of embracing green habits, which includes avoiding plastics and using cloth bags, saving energy, and saving water, using public transport, planting more trees, segregating dry and wet waste, and preventing the attitude of use. He briefed the audience about MCGM (Municipal Corporation of Greater Mumbai). He highlighted its role in the Solid Waste Department by adopting certain fixed areas through corporators in different city limits. He spoke about the Solid Waste Management process in the city through a flow chart. He emphasized the importance of segregating dry and wet waste at the grass-root level for increased efficiency at waste treatment sites. He created awareness among the audience about various activities undertaken by MCGM, such as manual street sweeping, which is done for about 253 km a day. In addition, Beach cleaning is done for 36.5 km a day, and their regular work in Swaccha Mumbai Prabodhan Abhiyaan. Through video presentations and real-life examples, he sensitized the audience to think about the future and save the environment from degradation and reckless use of resources.
- Department of Commerce in association with Internal Quality Assurance Cell organized an Online "**Workshop on Overview of Financial Markets**", from June 7th – 9th, 2021, in collaboration with M.D. Shah Mahila College, Malad, for the TYBCom students. The

DEPARTMENT OF COMMERCE

(B.COM & M.COM)

YEAR: 2021-22

- Department of Commerce in association with Internal Quality Assurance Cell organised an Online '**Poster Making cum Slogan Writing Competition**' on '**Mahatma Gandhi: The Management Guru**' and '**Economic Independence and Gender Equality**' from 1-5 October, 2021. The competitions and programmes were conducted to honour and commemorate the 152nd birth anniversary of the iconic leader Mahatma Gandhiji. The objective was to promote the teachings, ideologies and principles of Gandhiji among the students.
- Department of Hindi, Department of Sociology and Department of Commerce jointly in association with Internal Quality Assurance Cell organised a Guest lecture on "**Gandhiji's thoughts on empowerment of young women**" on October 12, 2021. The Resource Person was Mr. Bajrang Sonawane. He spoke about Gandhiji's ideologies and how women can learn from Gandhiji's principles and life events.
- Department of Commerce and Internal Quality Assurance Cell in association with Board of Industry Academia Partnership (BIAP) had organized a Webinar on '**Mantras for Successful Financial Planning**' on October 18, 2021. The Session was conducted on Zoom online Platform, and 100 students attended the Program. The session began with **Mr. Atul Sathe, Assistant Professor, Department of Accountancy from H.R College of Commerce and Economics** introducing the concept 'Mantras for Successful Financial Planning'. He briefed the students about the importance of proper management of one's finances to best achieve their financial goals and objectives. He explained various concepts related to financial planning and spoke about the Primary and Capital market in detail. He elaborated on the role of SEBI and its role in Investor Protection, with examples he helped the students to understand the functioning of primary and secondary market. He cautioned the students about speculative investments and shared do's and don'ts of investing in share market. He highlighted the importance of seeking help from professionals while investing. He spoke about the new initiatives floated by SEBI and BSE in reaching out to investors through online trading. He also briefed the students on the procedure related to opening of DEMAT account and shared the importance of due diligence when doing transactions in the stock market. The Session ended with all the students actively participating and getting their queries

answered. Overall, the Session enlightened the students and created awareness about principles involved in sound financial planning.

- A webinar on '**Consumerism, how to manage Money and be a smart Investor**' was jointly organized by the Department of Commerce and Department of Sociology on 10th December 2021 in the college through Google Meet platform around 100 students

DEPARTMENT OF COMMERCE

(B.COM & M.COM)

YEAR: 2021-22

attended the webinar. **The Resource Person of the webinar for the first session was Resource person Mr. T.R Pandey (Project Manager-CGSI)** he spoke about Consumer Rights and created awareness among students about the Consumer Guidance Society of India (CGSI). He briefed the students that the Consumer Protection Act, 1986 is a social legislation that lays down the rights of the consumers and provides for promotion and protection of the rights of the consumers which has enables ordinary consumers to secure less expensive and often speedy redressal of their grievances. He explained that the Act mandates establishment of Consumer Protection Councils at the Centre as well as in each State and District, with a view to promoting consumer awareness. Through its 3-tier structure of the National and State Commissions and District Commissions for speedy resolution of consumer disputes. The resource person for the second session was Mrs. Madhumita Ghosh Financial Advisor. She briefed the audience about the difference between Saving and Investment emphasizing the need to invest regularly to meet the financial requirements that may arise later in life. She made a differentiation between passive and active income and pointed out the requirement of people once they cross 60 years. She explained saying we live longer compared to people of the past and pointed out that the average life span of people has been increasing. She reemphasized the need to start investing early and she also spoke about the need to diversify and shared useful tips on Dos and Don'ts for equity Trading and highlighted the significance of investing in Mutual Funds. She concluded her session by sharing useful tips on investing.
