

## CAREER GUIDANCE AND PLACEMENT CELL

### ACADEMIC YEAR

### REPORTS

### 2025-2026

---

## 19th DECEMBER 2025

Career Guidance Lecture on Placement Opportunities after Graduation for Third Year Students was organized by the Add- On and Value-Added Courses Committee, Career Guidance & Placement Committee, and PTA Committee on 19<sup>th</sup> December 2025.

The resource person for the session was Mr. Daljeet Singh, Founder and Director, Team Lead, Financial Services Company. The title of the session was '**Smart Money Moves**'. The resource person emphasized that starting early is the ultimate "cheat code" for wealth because it gives your money more time to benefit from compounding. A Systematic Investment Plan (SIP) in mutual funds is the simplest way to harness this; it allows you to invest a fixed amount—as little as ₹500—every month automatically.

By starting in your 20s rather than your 30s, you aren't just saving more money; you're allowing the returns on your investment to compound for an extra decade, which can often result in a final corpus that is double or triple the size.

Additionally, SIPs use "rupee-cost averaging," meaning you automatically buy more units when prices are low and fewer when they are high, removing the stress of trying to "time" the market.

He also spoke about various employment opportunities, such as the mutual fund industry, which offers diverse careers, from Fund Managers and Research Analysts who select investments to Relationship Managers who advise clients on SIPs. On the technical side, Fintech Developers and Product Managers build the apps that automate saving, while Operations and Compliance Officers ensure every transaction is legal and secure. He briefed them on the significance of various certifications, such as NISM or CFA, that students can obtain.

## 27<sup>th</sup> JANUARY 2026

Department of Commerce And Management Studies and Career Guidance and Placement Cell in association with the Internal Quality Assurance Cell (IQAC) of Marwadi Sammelan's B. M. Ruia Girls' College, Mumbai, NAAC Accredited B+; after (4th Cycle) Recipient of the Maharshi Karve Best College Award 2022–23; Affiliated to S.N.D.T. Women's University, Mumbai, Organised a Seminar on "Get the Edge – Careers After Graduation" on Tuesday, 27th January 2026 at 11:30 a.m.

The objective of the seminar was to raise students' awareness of the various career opportunities available after graduation and to guide them in making informed career choices.

The session was delivered by Mr. Yashwantrao Chavan, Career Counselor, MET Knowledge City, who provided valuable insights into career planning, skill development, and current industry expectations. The seminar was interactive, and students actively participated by raising questions about career prospects and future planning. 60 students attended the seminar.
