## **Feedback Summary and Suggestions for College Improvement**

### **1. Areas for Improvement:**

- **Canteen Facilities:** Canteen services were frequently highlighted as an area requiring enhancement, with multiple respondents mentioning it specifically.
- **Welfare Facilities and Infrastructure:** A few respondents suggested improvements in welfare facilities for students, along with library and general infrastructure upgrades.

### **2. Positive Feedback:**

- **Teaching Quality:** Many respondents praised the teaching quality, describing teachers as supportive, skilled, and effective in developing students' potential.
- **Learning Environment:** The college's overall learning environment was appreciated, with some mentioning it as "very good" and conducive to student development.
- **Skill Development:** Positive remarks were made regarding the college's role in helping students grow through teacher guidance and effective teaching strategies.

### **3. Suggestions for Development:**

- **Canteen:** The canteen should be upgraded to better cater to the needs of students. Suggestions include improving the variety of food.
- **Welfare Facilities:** Increased focus on welfare facilities for students to provide better support and resources.
- **Infrastructure:** Enhancements to library facilities, infrastructure, and overall campus amenities.

### **4. General Observations:**

- Most respondents expressed satisfaction with their overall experience, emphasizing that the teachers and learning environment were significant strengths of the college.

### **5. Conclusion:**

The feedback highlights that while the college excels in teaching quality and promoting a positive learning environment, improvements are needed in facilities such as the canteen, infrastructure, and welfare services. These insights provide a roadmap for targeted development to further improve the student experience and overall college performance.
