ANALYSIS OF FEEDBACK FROM ALUMNI

Academic Year 2021-22

Feedback was collected from alumni during the academic year 2021-22. Below is a summary of the feedback analysis, along with graphic representations in the form of pie charts based on the alumni responses:

1. Courses Studied in Relation to Current Work

- Majority rated this as Very Good or Excellent, indicating relevance of the courses to their careers.

2. Infrastructure and Computer Facilities

- Opinions varied, with a mix of Good, Excellent, and some Average ratings, suggesting room for improvement in facilities.

3. Effectiveness of Teachers

- Mostly rated as Excellent and Very Good, reflecting strong satisfaction with teaching quality.

4. Canteen Facilities

- Feedback ranged from Good to Average, pointing to an area that could benefit from improvements.

5. Library

- While many rated it as Excellent, some Average ratings indicate scope for further enhancement.

6. Office Staff

- Predominantly rated as Good and Very Good, indicating satisfactory administrative support.

7. Overall Rating of the College

- Largely positive, with most responses being Excellent and Very Good, showcasing strong overall satisfaction.

8. Contribution to Personal Development

- Alumni appreciated the college's contribution, with the majority selecting Very Good or higher.
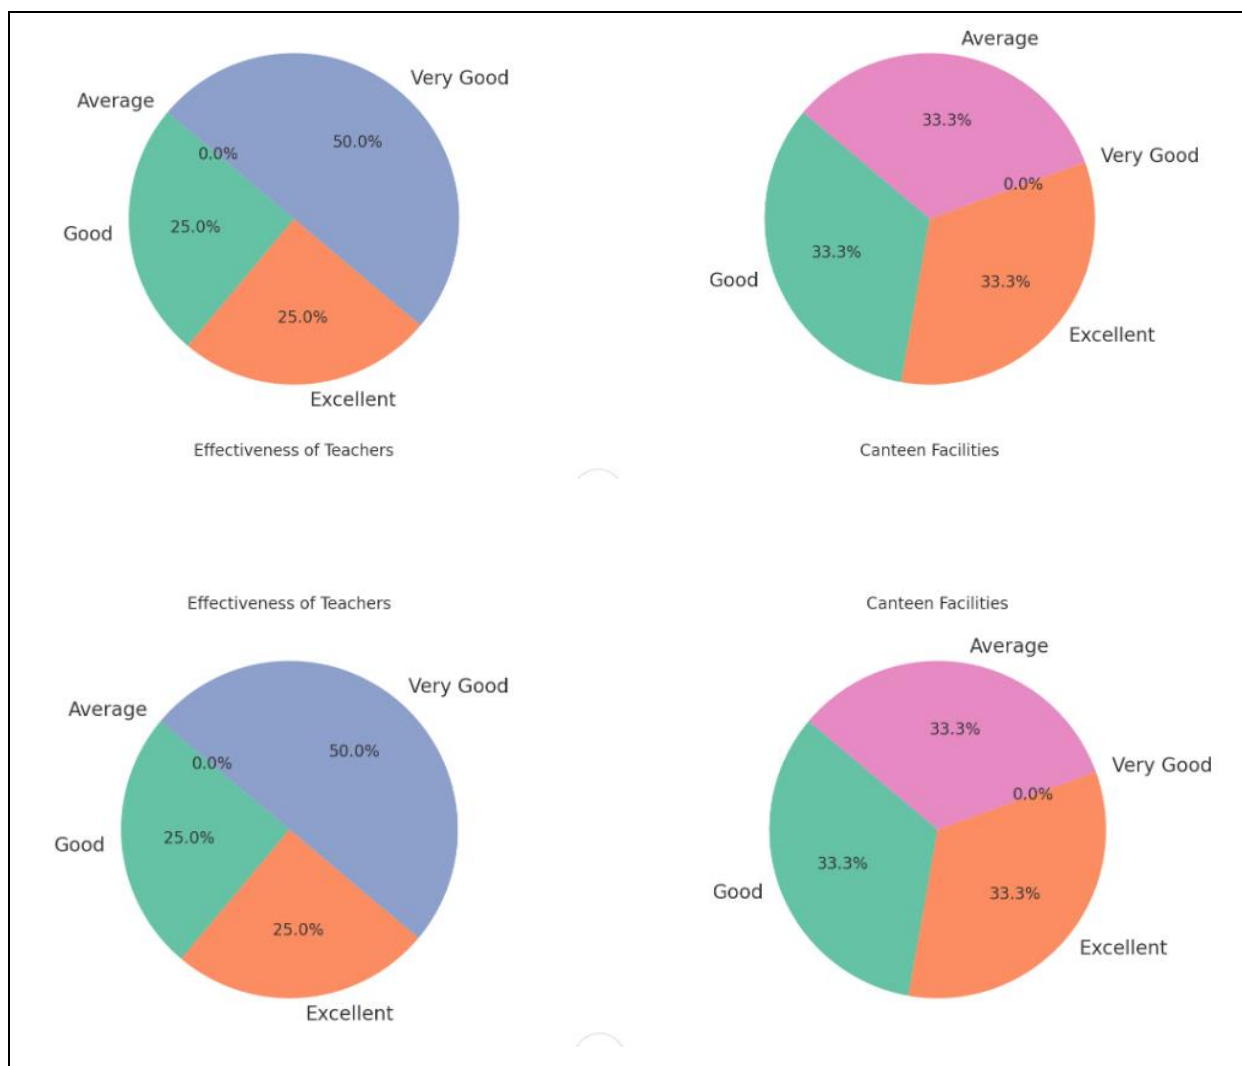

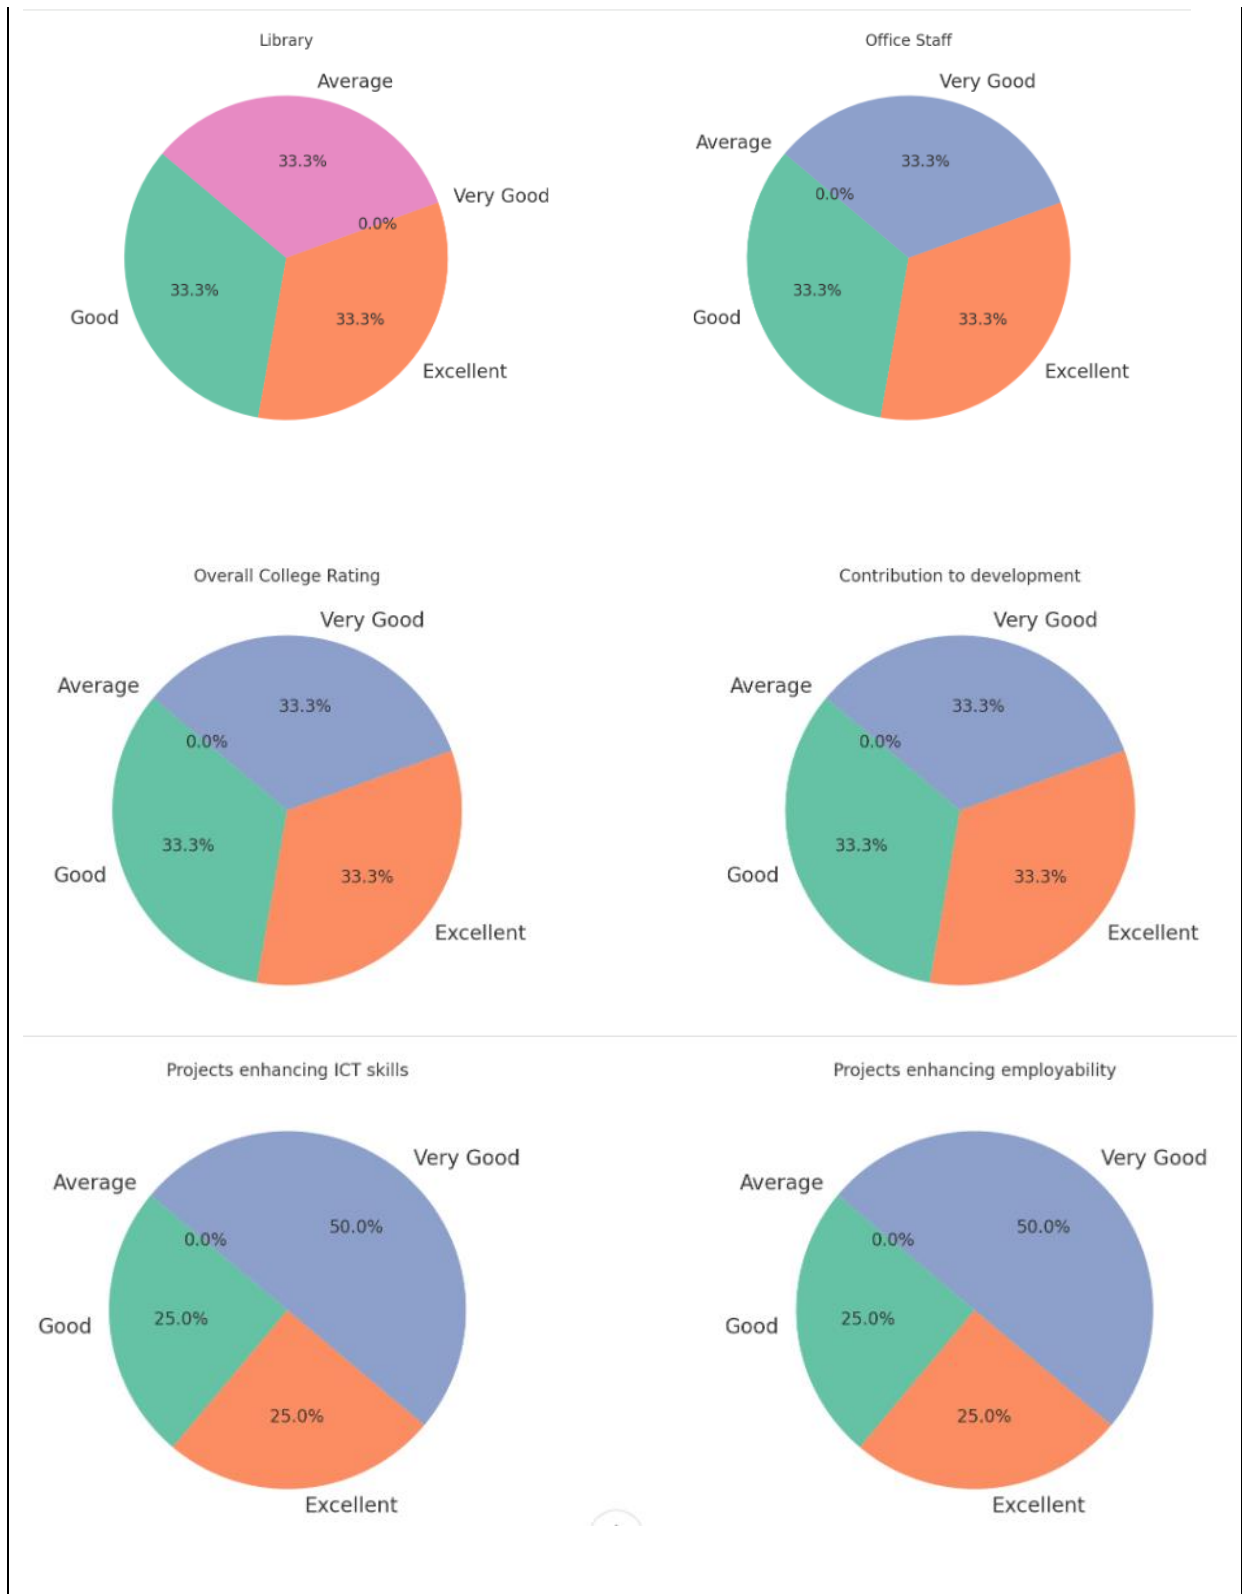

9. Projects/Assignments Enhancing ICT Skills

- Strong feedback with Very Good and Excellent ratings, highlighting effective skill-building.

10. Projects/Assignments Enhancing Employability

- Rated similarly high, indicating positive outcomes for career readiness.
